

UPDATED QSS GRAD 2025 – GRAD GUIDE

Dear Parents and Graduating Students,

We are approaching some VERY exciting times. We are very much looking forward to celebrating our graduating students and the culmination of their schooling journey to date.

Here is all the information that you will need to plan for QSS Grad 2025!

“Green To Go” For Grad

To participate in the convocation ceremony, graduates need to complete all items on our “Green to Go” List. This list is posted in the Counselling Office, and includes:

- Completion of the BC Graduation Program with all requisite courses and credits (including the successful completion of BC Provincial Assessments)
- All school fees paid
- Capstone Project completed and presented
- All overdue textbooks and library books returned

Tickets

Each graduate will be offered up to 5 tickets (at no cost). Grads will let us know how many they need up to 5. These tickets will be handed out at the office leading up to the event. Additional tickets can be purchased for \$2.00 each, to be picked up by graduates in the office. Please note that we don't limit ticket sales or allocation so if it takes some time to get onto the Green to Go list there is still not a risk of there not being enough tickets for your family

Box Seat Auctions

We will be auctioning off Grad Box Suites at Cowichan Community Centre Arena (CCC) again to families for the ceremony via silent bid auction. Please email

gssdatasecretary@sd79.bc.ca if you wish to make a bid on the box seats. Please title your email "Box Suite Bid" and include the name of your graduate in the body of the email as well as the amount you are bidding for. We will contact the winning families on June 20th.
